

PLEDGE

Care for One Another

- I pledge to be mindful of my and my family's behavior outside of the school as I understand my choices directly impact those that I am joining with in a "Classroom Family."
- I will follow recommended health and safety guidelines as they relate to the well-being of my child and my family.
- I will agree to the policies and procedures as set forth by Desert Garden Montessori School.
- I pledge to cause no harm to others and operate from a place of understanding and best intentions.

This pledge underscores the communal responsibility.

I understand all members of the community must agree to this pledge.
